DEW 12 JAN 29 ICE
No 510

General Secretary

A weekly shandy is held at Peesandra in Chikkaballapur Taluk the collections of which amount to about -- Rs 1,500/- a year The members of the local Panchayet complained that the whole of this sum was being appropriated by the District Board so that the Panchayet had no funds to carry out improvements to the village There is some force in the complaint I think a more equitable arrangement would be to assign one-fourth of the shandy collections for the benefit of the Panchayet, Any expenditure which the District Board may incur on account of the village over and above this limit being met out of its share of the proceeds

The question of the allocation of the Standing Collections in Village Panchayets, between the Panchayet & the D. B. d. separately under consideration. The file has been put up with a draft to the effect that no general rule in the matter is necessary & that each case should be subject for orders of Govt. decided on its individual merit. Pending issue of the said order, the case of the Peresandra Sampe- may perhaps be referred to the Dist for opinion in consultation with the Dist Board of Kolar.

There will be no objection to the District Board assigning one fourth of the Standing Collections to the Panchayet
